

Planning Chart for Adapting Church Programs

Existing program to consider adapting	Individuals and families that we want to enfold into this program	Skills required to participate fully and independently (physical, intellectual, spiritual, social)	Skill deficits that require additional supports and adaptations	Strengths that could be used in serving and independent participation	Need for a parallel track vs. enfolding into this program	Creative supports to buoy 1-2 areas that may be difficult to navigate	Volunteers needed (strategically brainstorm)
