WILL YOU INVEST IN DISABILITY MINISTRY?

LEARNING MANAGEMENT SYSTEM (LMS)

Our LMS is a comprehensive online education program in disability ministry. It features separate tracks for families, Christian education, and church leadership. Online courses feature virtual classrooms with live and recorded sessions, discussion forums, and downloadable resources.

PROJECT BUDGET \$5,000 RECEIVED \$2,890 NEEDED \$2,110

ADAPTED CHRISTIAN EDUCATION VISUALS

Few tools are available today that support spiritual, emotional, and behavioral development in Christian education environments. Invest in the discipleship of kids, teens, and adults with disabilities through the development of teaching resources adapted for their needs.

PROJECT BUDGET \$2,000

RELATIONSHIP MANAGEMENT SOFTWARE

We are growing rapidly. To keep pace, we need customized database software that is relationship-driven. Invest in technology to help us manage our engagement with people, church partnerships, donor partnerships and donations, and training activities.

PROJECT BUDGET \$2,500

Donations are tax-deductible. To donate online, go to www.EngagingDisability.org/give. To give by check, please make payable to Mission to North America and mail to P. O. Box 890233, Charlotte, NC 28289-0233. To give stock or a non-cash contribution, please contact the Accounting Staff at mnadonations@pcanet.org or 678-825-1200.
